SKU: TT1212-1/2LBIkBase, TT1212 1/2 Black G, HH1212 1/2 Black L, HS-1212-1/2", 1212-OPEN-GRID, 1212-G, SP-1212-3/8", 1212-S-SS, 1212-SBIk, 1212-SC, 1212-S-Triangle and WB-1212-1/2"

- Vacuum up loose debris with power vacuum
- Tiles can be damp mopped or scrubbed with a scrub brush
- Tiles can be hosed down with a garden hose or a commercial power washer
- When washing the tiles with power washer you can channel the debris to a drain or to the end of the tiles by forcing the debris through the footed channel bottom of the tiles.
- Tiles can be washed with a commercial detergent such as Spic-N-Span
- Tiles can be put in the dishwasher
- DO NOT wax tiles or use equipment to wash tiles that has been in contact with wax
- Grit Top Tiles should NOT be power washed or put in the dishwasher
